

## EPIC® H-B 16 T

Housing design H-B. The industry standard.

The same, yet better: you'll be impressed with this rectangular connector hood, the design and haptics of which have been completely revamped. While the technical properties and advantages have remained identical, the modern design not only impresses visually, but gives you a much better grip when connecting and disconnecting.

### Info

Non-slip ridges for comfortable disconnecting

Supplementary automation components from Lapp

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

### Benefits

The hood housing is mateable with many commercially available housings (panel-mount base, surface-mount base or coupler hood housings).

The user-friendly design with a good grip makes the plug connection easy to connect and release.

Locking takes place using a stainless-steel double lever on the counter-housing.

Corresponds to protection class IP 65 when locked.

UL certification according to technical data enables use of the product in the North American region.

### Application range

To protect the connector insert from environmental influences.
