

## EPIC® H-A 10 SGRL-LB

These connectors are attractive because of their compact housing.

The compact base housing has a single lever and 2 cable entries. The housing is suitable for rectangular connectors and for use in control systems, for example.

### Info

For easy introduction of two cables  
Protection rating UL50E tested

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

### Benefits

Small and space-saving for narrow available space

### Application range

Machine and equipment manufacturing  
Control engineering  
Electronic laboratory

### Product features

Surface-mount base  
Single lever  
2 cable entries
