

EPIC® H-B 16 TGBH

Housing design H-B. The industry standard.

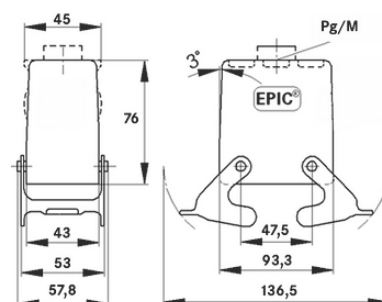

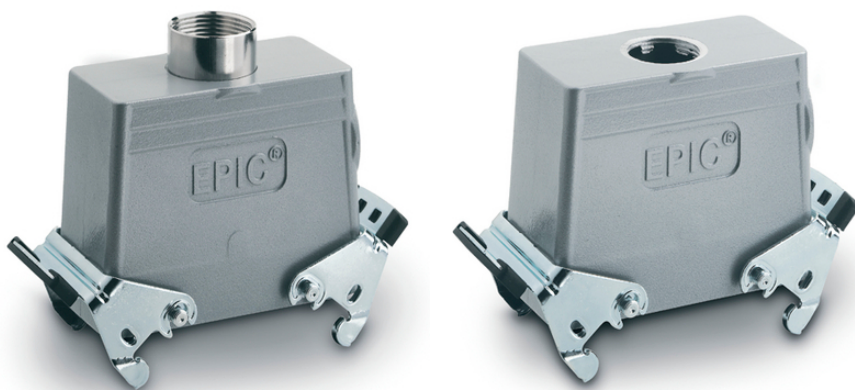

The robust metal housing for rectangular connectors consists of a direct cable entry and 2 double levers. It is suitable for use in investment construction.

Info

More interior space for wiring

For connection with counterpart with integrated cover

Protection rating UL50E tested

Supplementary automation components from Lapp

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

Benefits

The housing standard. Wide choice for all applications

Double lever version with 2 levers for increased safety

Application range

Plant engineering

Light & sound technology

Plastics industry
