

EPIC® H-B 6 SDRL-LB

Housing design H-B. The industry standard.

The robust universal base housing has 2 cable entries and 1 single lever and can be used, for example, in investment construction or control systems.

Info

Metal lid with sturdy hinge

Protection rating UL50E tested

Supplementary automation components from Lapp

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

Benefits

The smallest housing out of the H-B series. For inserts with high electrical properties

Application range

Plant engineering

Control engineering

Plastics industry

Product features

Surface-mount base, low version
