

EPIC® Tools for contacts H-D 1.6 stamped

For inserts and modules of the EPIC® rectangular connectors

It is recommended to use a professional tool to handle the pressed contacts, such as crimping pliers, dies or the locator.

Product features

Locator and crimping dies fit together with the crimping tool 11147000 and the crimping machine 11147001

Note

Photographs and graphics are not to scale and do not represent detailed images of the respective products. Prices are net prices without VAT and surcharges. Sale to business customers only.
